2.3 It is required that every event in a particular BEC U17 Circuit tournament has at least 8 competitors (i.e. actual competitors, not merely entries). If the required number of competitors is not met, this particular event shall not count towards any ranking. In accordance with regulation 10.4 in Appendix 6 to BWF's General Competition Regulations, an event must contain at least one entry from a Member Association other than the hosting Association. If an event does not contain at least one entry from a Member Association other than the hosting Association, this particular event shall not count towards any ranking. BADMINTON EUROPE is not liable for any costs incurred by third persons (players, coaches, umpires, team managers etc.) because of an event not having enough competitors to count for the rankings.

6.1.6 If the amount of entries exceeds the maximum amount as listed in § 6.1.1- 6.1.4, a selection of entries will be made in the following order: 1) Points on the European U17 Ranking. 2) Foreign players without points on the European U17 Ranking, drawn by lots (no country can have two players/pairs without points participating before all entered countries have at least one player/pair without points participating). \* 3) Home nation players in order of strength as listed by their Member Association.

\*Non-European players are taken into consideration based on their BWF World Junior Ranking, comparing these to the Europeans that are ranked based on the European U17 Ranking as listed above.

The selection of entries shall be done by BADMINTON EUROPE

11.2 After entering a player(s) in the tournaments it is the Member Nation's responsibility to secure visas for their players - if this is needed. Member Associations must make sure that visa applications are made early enough.
